

# Eastern Busway

Buranda to Main Avenue

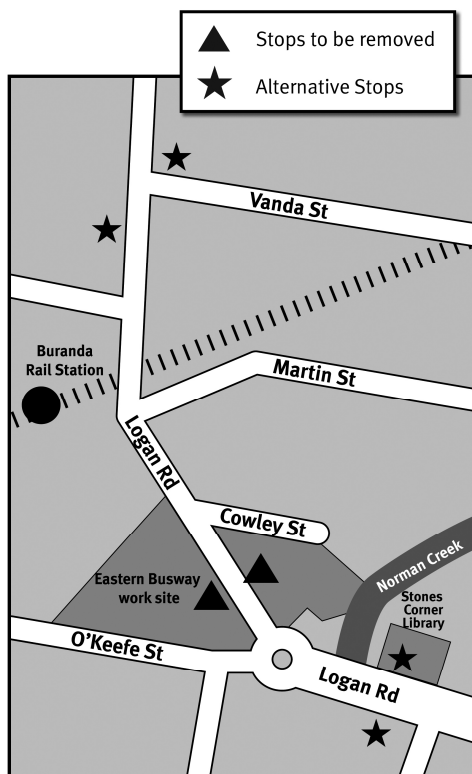

Information update October 2009

## Bus stop closures – Logan Road, Woolloongabba

To assist in the construction of the Eastern Busway (Buranda to Main Avenue), bus stop 'Buranda Railway' 16/14 (inbound) and bus stop 'Buranda Railway' 14/16 (outbound) on Logan Road will be closed from late October 2009 for the duration of the project. These stops will be reinstated in early 2012.

Closures will affect bus services 174, 175 and 204.

Passengers can instead use nearby stops including Stones Corner Library Stop 17 (Logan Road, Stones Corner) or Vanda Street Stop 13 (Logan Road, Woolloongabba).

For service information, visit [translink.com.au](http://translink.com.au) or call TransLink on 13 12 30 anytime.

Every effort will be made to minimise impacts and we appreciate your patience during these essential works.

### Construction hours

Project working hours will generally be Monday to Saturday from 6.30 am to 6.30 pm.

Occasional work may be required outside of these hours. We will endeavour to notify you in advance of these activities.

### Our project

The Eastern Busway Alliance consists of the Department of Transport and Main Roads, Leighton Contractors, AECOM and SKM who will deliver this section of the Eastern Busway by early 2012.

### Project benefits

Once completed, this 1.05km section of the Eastern Busway will allow commuters to bypass four sets of traffic lights and the heavily congested Logan Road/O'Keefe Street roundabout at Buranda saving commuters nearly 1.5 hours in travel time per week.
