

Petition to Lord Mayor Graham Quirk

# STOP Paid Parking at Westfield Carindale

The undersigned petition call on Lord Mayor Graham Quirk to stop dithering and take firm action to stop Westfield Carindale from converting their shopping centre car parking into a cash-grabbing, commercial car park.

We note that the Lord Mayor is addicted to revenue from parking meters and parking fines to pay for the \$2.3 billion debt he has racked up for his failed toll tunnels that aren't solving our traffic problems. However, that's no excuse for him to sit on his hands and allow Westfield to charge staff and shoppers to park at the Carindale Shopping Centre.
